ABOUT ME

With a passion for tech and innovation, I specialize in developing smart, efficient software solutions that tackle real-world problems and enhance user experiences.

WORK EXPERIENCE

SKYWALK

INNOVATIONS

Feb 2023 - Present

Intermediate Software Engineer

As an Intermediate Software Engineer, I contribute to the full lifecycle of software development, from design and implementation to testing and maintenance. I write clean, efficient code aligned with industry best practices, collaborating closely with cross-functional teams to deliver high-quality software solutions. My role involves problem-solving, optimizing software performance, and ensuring scalability. I actively engage in code reviews, mentoring, and continuous learning to stay current with evolving technologies. I work closely with QA and product teams to ensure alignment with project goals and maintain up-to-date technical documentation to support development efforts.

SKYWALK

INNOVATIONS

Sep 2020 - Feb 2023

Software Engineer

As a software engineer, engaging in a dynamic range of tasks that extend across the domains of frontend, backend, and mobile development. My role involves crafting innovative solutions, collaborating with cross-functional teams, and contributing to the seamless integration of technologies to deliver exceptional software products. With a keen eye for detail and a commitment to staying at the forefront of industry trends, I thrive in the ever-evolving landscape of software engineering.
